High School Nomination Form

Each year, the **Child & Family Research Institute** hosts a Celebration of Research Open House. Student and teachers will have the opportunity to meet and network with health science experts, tour research laboratories and view state of the art equipment's and research facilities. This event is free and takes place on Monday, March 5, 9:00am to 12:30pm.

To attend this event, students **must be nominated** by their science or career teacher. Each **school** may nominate up to 5 students. We invite schools to nominate exceptional students whose enthusiasm and performance in science shows great promise. There are a limited number of seats reserved for high school students therefore nominations are accepted on a first come, first serve basis.

Fax completed form to 604-875-2496 or email to reseduc@cfri.ca. Incomplete or illegible forms will NOT be accepted.

Nomination deadline: Monday, February 20.
